CALL FOR ABSTRACTS

Abstracts are invited from all members of the multi-professional team involved in the clinical care of renal patients and from all those involved in research related to renal disease.

We look forward to receiving abstracts on all aspects of renal disease/renal patient care, thereby maintaining the meeting's role as a forum for discussion of issues chosen by those at the sharp end of renal care. In particular we would welcome abstracts that are related to the main themes of the meeting.

ALL ABSTRACTS MUST BE SUBMITTED ONLINE. For access to the Abstract Submission form and further details please go to either:

www.britishrenal.org or www.renal.org

NINE scholarship awards for BEST ABSTRACTS

The Poster Programme will be enhanced again this year with daily moderated poster sessions

FOR BEST VALUE

Register early & come for the entire conference
The 4 Day registration fee is designed to encourage you to attend the entire conference AND to save you money.
If you choose this option knowing that you will be attending for 3 days instead of 4, please let us know when you register so that we can order correct catering amounts.
