OPENING PLENARY

Join us on Tuesday evening 1st May and be truly inspired:

Guest Speaker: Alan Chambers MBE

Alan led the first successful British unsupported expedition to the Geographic North Pole.

“Motivating your team in difficult conditions”

This will be followed by a Welcome Reception and the Exhibition Opening

The Poster Programme will be enhanced again this year. In addition to the daily moderated poster sessions, the posters will be judged and prizes will be given to the top three scoring posters. The criteria for judging will be available on the website.

CALL FOR ABSTRACTS

Abstracts are invited from all members of the multi-professional team involved in the clinical care of renal patients and from all those involved in research related to renal disease.

We look forward to receiving abstracts on all aspects of renal disease/renal patient care, thereby maintaining the meeting's role as a forum for discussion of issues chosen by those at the sharp end of renal care. In particular we would welcome abstracts that are related to the main themes of the meeting.

ALL ABSTRACTS MUST BE SUBMITTED ONLINE. For access to the Abstract Submission form and further details please go to www.britishrenal.org
